

Sivem Products

Portfolio 2022

*Agility of a Canadian Partner.
Strength of a Network.*

Dear Valued Customers,

SIVEM is pleased to introduce the latest edition of the SIVEM Product Catalogue, which features our current product portfolio, including more than 70 generic medications.

Our commitment is to contribute to your success by facilitating a consistent supply chain, providing products of the utmost quality all while leveraging our network to ensure you get the **right product**, at the **right time**.

Should there be any changes to our product offering, these changes will be communicated as per the usual channels. For any questions or comments, please contact your SIVEM Sales Representative and and/or our Customer Care Team.

Our team is happy to help, in any way we can:

- For general inquiries → SIVEM Customer Care Team at 1-855-75SIVEM (74836)
- For product-related inquiries → SIVEM Medical Information Team at 1-855-788-3153

We truly appreciate your commitment and contribution to ensuring the health of Canadians.

Your Private Label Generic Brand,

SIVEM

Agility of a Canadian Partner. Strength of a Network.

Launched in Canada in 2014, Sivem not only provides generic medication, we also provide solutions to increase pharmacy efficiency allowing pharmacists to focus on what really matters: Patient's Health.
